| 11.30 | Meet the breed - delegates will have the opportunity of going over a selection of dogs and asking questions. |
| 12.15 | Multiple choice paper |
| 12.45 | Lunch |
| 13.30 | Hands on Assessment. Limited to 12 Candidates. |
| 16.00 | Close |

Notes

For those wishing to just attend the breed presentation and participate in the questions and answers session this will qualify for inclusion on the CBRC C list.

Candidates who pass the Multiple choice paper will be eligible for the B list once they have judged the required number of dogs as per the CBRC judging criteria.

Any candidate wishing to be considered for the A3 list must first pass the multiple choice exam and the A3 hands on assessment.

Numbers will be limited for the A3 assessment (as per KC requirements) and therefore those applicants currently on the CBRC B list, or who award CCs in another breed will be given priority and thereafter on a first come, first served basis.

Please complete the attached booking form and indicate what option you require and enclose the appropriate cheque payable to the Chesapeake Bay Retriever Club.
